

If you missed Confirmation as a youth, now is the time to receive it!

Confirmation, along with Baptism and the Eucharist, is a Sacrament of Initiation. The graces of Confirmation strengthen and guide us in taking on more mature responsibilities in the public life of the Church.

The adult Confirmation program offers a review of the foundational teachings of the Catholic Church and the chance to grow in your faith through fellowship and prayer.

While the focus of this class is preparing for Confirmation, it is open to anyone who would like to join us for a refresher in their faith.
