The Book of Romans is dense and potentially imposing, but with years of experience under his belt, St. Paul wrote it for two simple reasons: encouragement and guidance. This epistle is so packed with theological wisdom that it influenced Christian theology more than anything else Paul ever wrote. In a fascinating 400+ verse exegesis, Scott Hahn, Mark Shea, and Fr. Patrick Winslow spare no expense in breaking down the rich ideas for you.

Don't let its length fool you—this is one of the most powerful explorations of grace and the Christian life ever written, and anyone can share in its riches with a good guide. Let Scott Hahn, Mark Shea, and Fr. Winslow be that guide for you as you peer into the depths of Paul's heart, which beat so much for Christ that he inspired a whole Church!
